PROactive PRONUNCIATION

N vs. NG Minimal Pair Words

Compare the words below. N uses the tip of the tongue, “ng” uses the back of the tongue. If you struggle with adding the /k/ or hard/g/ in “ing” words, say the "ng" words with and without a hard /g/ or /k/ at the end. Be sure that you can hear the difference.

ban	bang	pan	pang
bun	bung	pin	ping
chin	ching	raisin	raising
clan	clang	ran	rang
coffin	coughing	run	wrung
din	ding	season	seizing
Don	dong	sin	sing
