PROactive PRONUNCIATION

TH + D Words & Sentences

To pronounce these sounds together, we will avoid putting a pause or a break between the sounds. We will slide from the “th” position with your tongue between your teeth, and then move inward to the /d/ position with your tongue on the alveolar ridge.

Words:

bathed
betrothed
breathed
clothed
loathed
mouthed
scathed
seethed
sheathed
sleuthed
smoothed
soothed
