PROactive PRONUNCIATION

“SCHWA” /ə/ in “ITY”

The suffix or ending of a word with –ity is pronounced /ədi/ or “uh dee” (we also turn the /t/ to a /d/ called the “flap /t/.”)

ability	humanity	quality
activity	humidity	reality
authority	intensity	reliability
capability	majority	sanity
cavity	necessity	security
clarity	personality	severity
dignity	popularity	stupidity
electricity	possibility	university
festivity	publicity	vicinity
