“EE” /i/ Spelling

The /i/ or "ee" sound is generally spelled with an "e." Below are a few spelling variations that make the same sound, /i/ or "ee."

Most common Spellings: (98% of the time)

e: we, me, these, meme (44%)

y: baby, many (40%)

ea: meat, team

ee: meet, feed

i: sushi

Less common Spellings: These are best dealt with by memorizing the few exception words

ae: algae

ay: quay

ei: seize, protein

ie: brief, piece

eo/oe: people, phoenix

i_e in multisyllabic words: regime

iu/ia/io – after another vowel at the end of syllables: radio, audio

The ends of foreign words: spaghetti, sushi, Helsinki

The “i” only says /i/ in three instances:

With a silent “e” at the end in multisyllabic words	police	prestige	tangerine
At the end of syllables followed by another vowel	stadium	piano	radio
At the ends of foreign words	spaghetti	sushi	Helsinki
