PROactive PRONUNCIATION

Intonation Practice

Work through this dialogue below. Practice rising and falling intonation for each part. You will notice that as you get the hang of what kind of utterance it is (statement, yes/no question, list, etc.), your intonation will be markedly different. Try it out!

A. Help! I'm lost!
B. Where are you?
A. I don't know. I can see a store and a lake here.
B. Oh, I think I know where you are! Can you see a train track?
A. Yes.
B. Okay, go across the train track and make a left.
A. Go left?
B. Yes. Now, can you see some houses on the right?
A. Yes.
B. Okay, make a right turn after the houses.
A. What, in front of the gas station?
B. Yes. In front of the gas station. You'll see my house right behind it.
A. Oh, It's across the street.
B. That's it. Great, I see you now!
